FILTRAGGIO per crossref
booktitle
cite (→ ce ne sono 42, ma
 il problema è che non
 trovo corrispondente)

{ con command F non
 trovo i publisher nel
 file incollection ma ci sono
 nel conteggio e nei book}

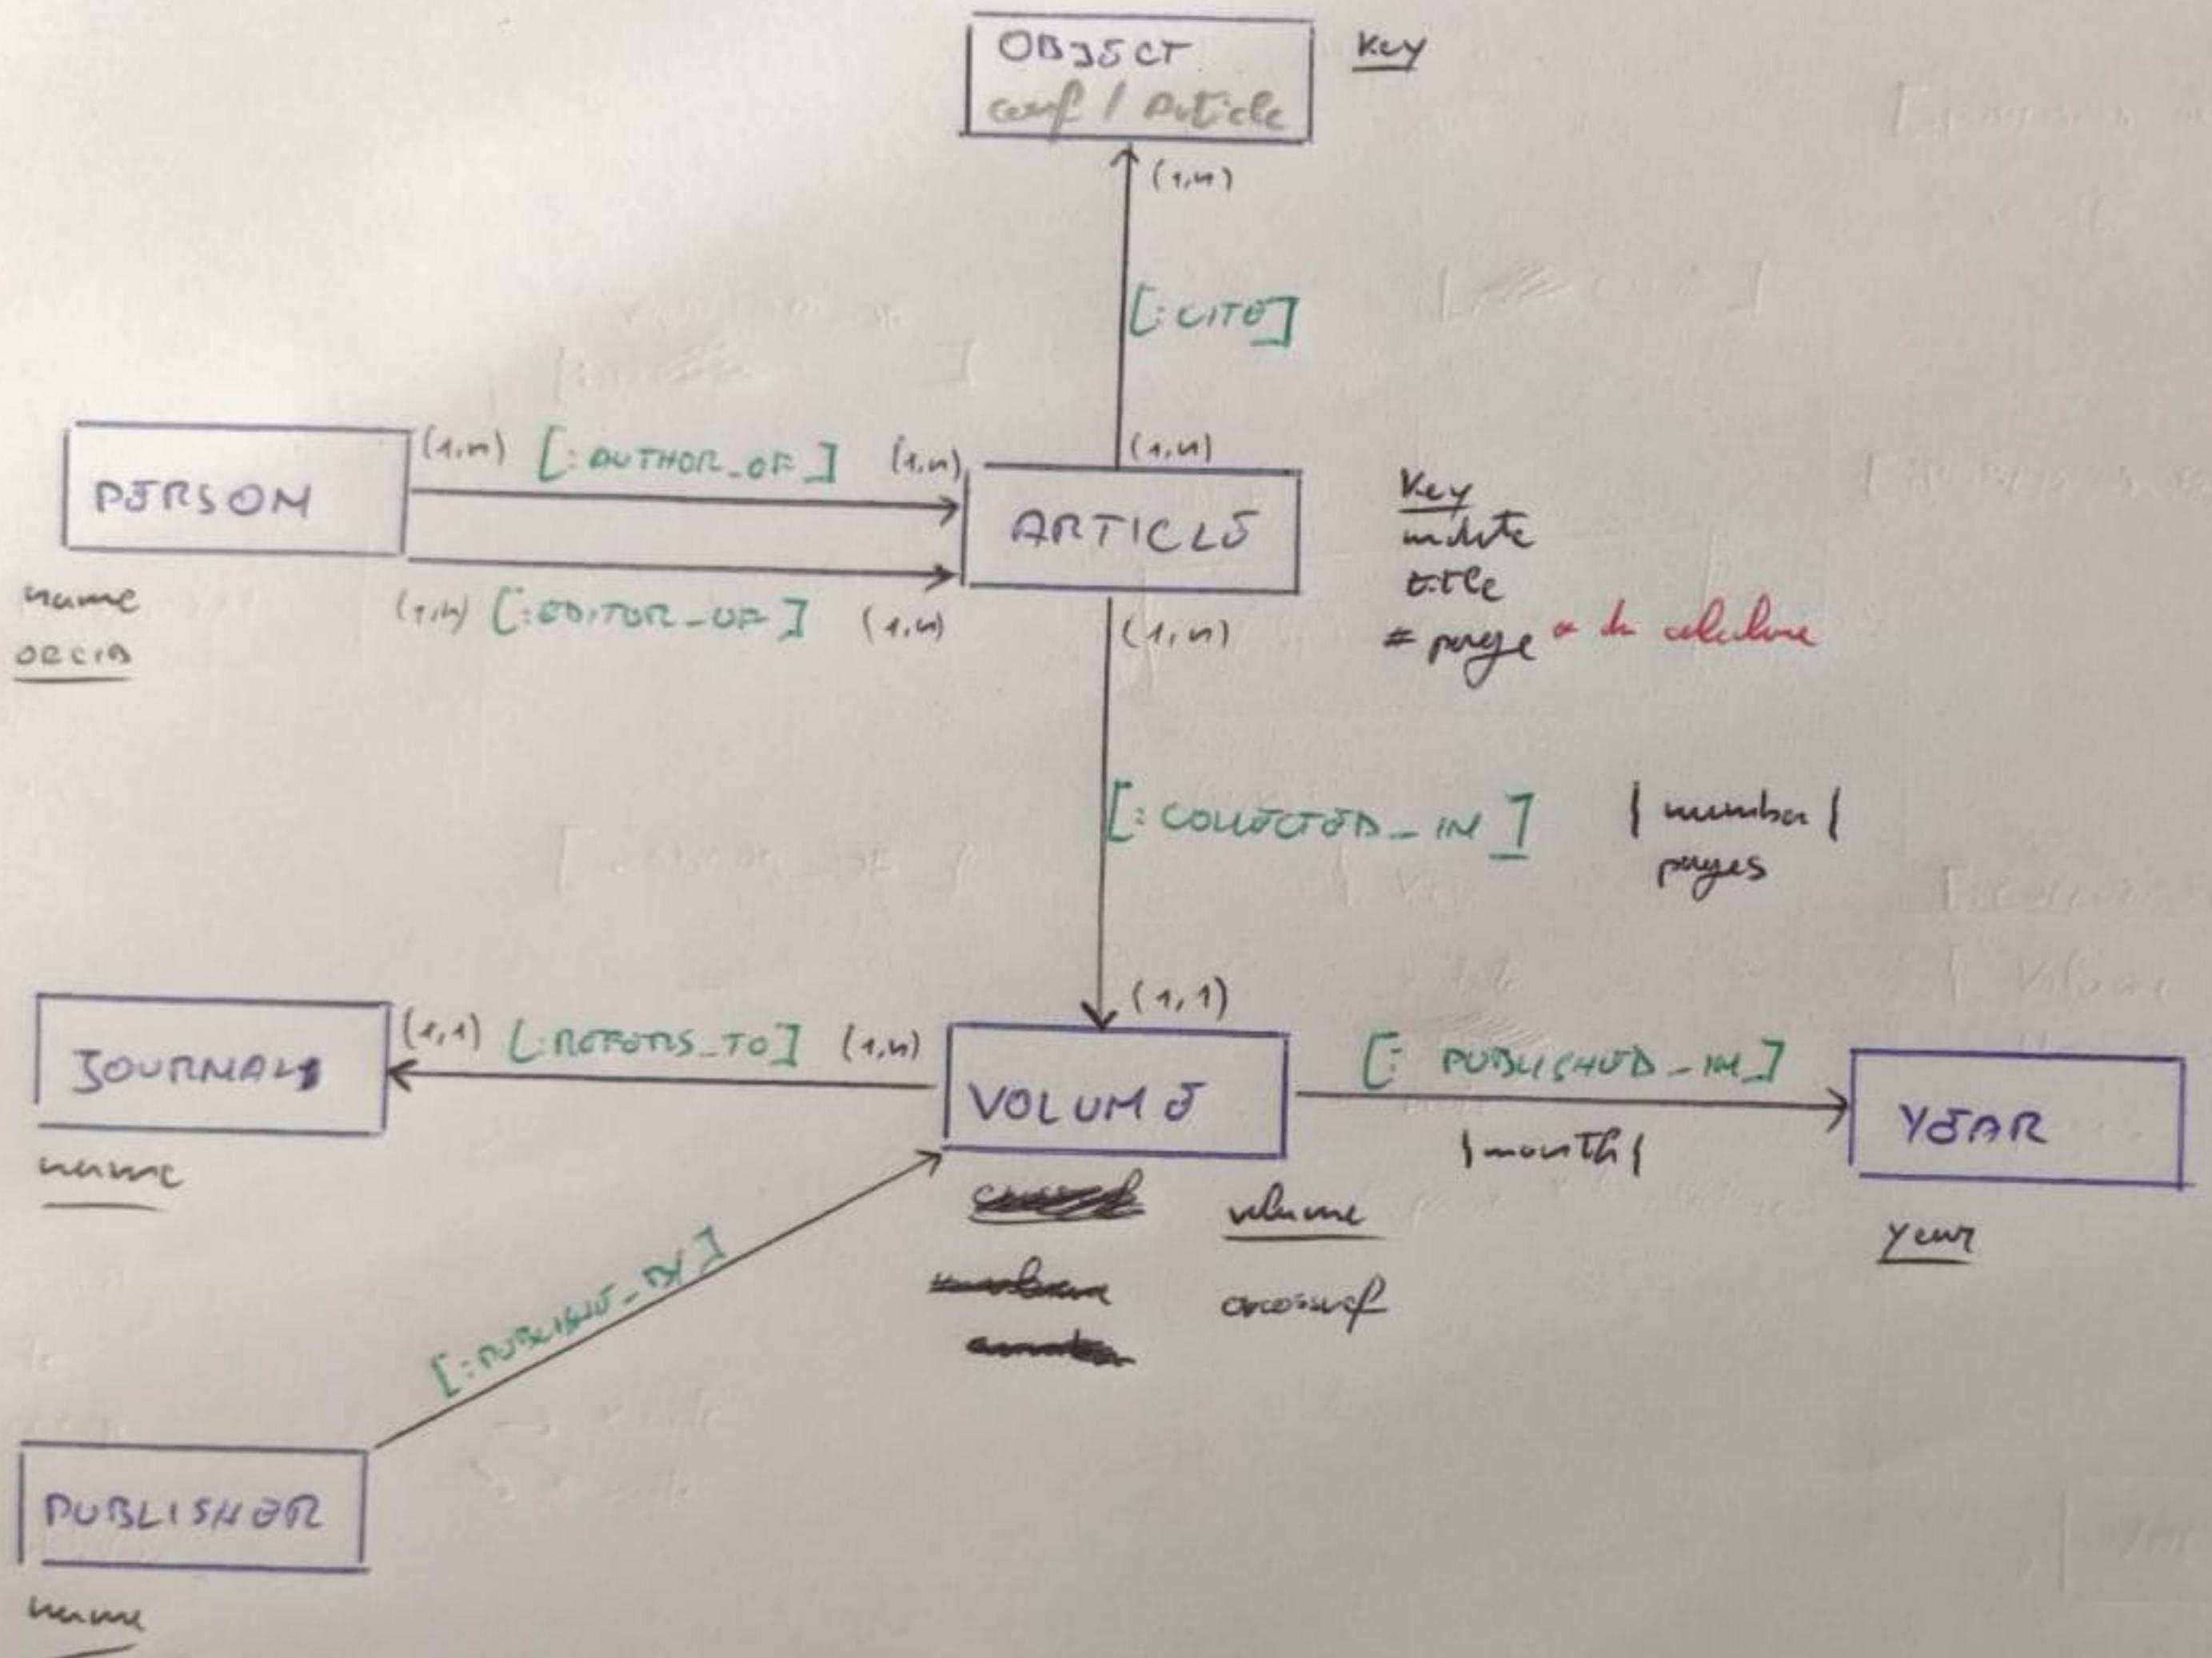

booktitle ← ie booktitle
 corrisponde
 al title del
 book

potrei aggiungere
 ma non so a
 cosa si riferisce
 (so i composite si
 conf che journal)
